

***NHPA Educational Foundation Mission***

*Connecting psychology and mental health through education, research and recognition.*

Dear Friends,

The New Hampshire Psychological Association Educational Foundation (NHPA Foundation) **exists** to support the work of mental health in New Hampshire.

Approximately 1 in 5 adults in the U.S.—43.8 million—experiences mental illness in a given year. I am sure someone you know has been affected personally. Part of the NHPA Foundation's mission is to support continuing education opportunities to those that are on the front lines addressing issues like Addiction, Trauma, Dementia, Obsessive Compulsive Disorders and more. Attached you will find our calendar of events and projects for this coming year. Please join us in supporting this global crisis of need and become a sponsor of the NHPA Foundation today.

Please return the attached sponsor sheet to the NHPA Foundation as soon as possible. The sooner we link arms, the sooner we can spread the word that your organization is helping the cause! Please feel free to contact me directly with any questions you may have at [jena@nhpsychology.org](mailto:jena@nhpsychology.org)

Best Regards,

*Jena Mottola*

Jena Mottola,  
Executive Director
